General instructions (Section heading: Times New Roman, bold, 12 pt, no numbering)

The paper should be prepared using ISO A4 paper size (210 x 297 mm) using the **Times New Roman (12 pt, justified)** font according to the format described in this template. The authors are strongly urged to follow these instructions to ensure the production of uniformly high-quality proceedings. The first paragraph of each section and subsection should not be indented.

Following paragraphs indented 0.5 cm.

Margins should be: left 1.5", top, bottom and right 1" each.

The overall length of the paper, including illustrations, tables, and references, **should be limited** to 6000 – 8000 words (25 pages to 30 pages).

<1 line spacing before subheading and section heading, no space after heading and subheading>

Pages should be numbered in the page footer, including the first page, as is done here. Papers should be organized in the following sequence:

- Title of the paper, name(s) of the author(s), affiliation(s)
- Abstract
- Keywords
- Main subject text (Introduction, Literature review, Methodology, Data analysis, Discussion and Conclusion)
- Acknowledgments (when applicable)
- References

Bulleted or numbered lists should have hanging indent by 0.5 cm. Avoid using more than two levels in the lists.

Following paragraphs indented 0.5 cm.

Footnotes should be avoided. The corresponding text should be incorporated in the main text.

Equations should be typed flush with the left-hand margin and numbered consecutively with numbers in brackets on the right. Leave single spacing above and below equations, like shown in equation (1).

$$\sum_{i=1}^N xi = \delta$$

Figures and tables must be included in the main text and must be individually numbered and captioned. Illustrations should be sharp and clear. Place figures and tables centered. Captions should be placed **below figures** and **above tables**. They are typed in Times New Roman 11, in italics, and centered. Leave one line before and after tables and figures (see examples below).

<1 line spacing before table>

Table 1 – Caption (Times New Roman, Italic, 11 pt, centered)

<1 line spacing after table>

--	--	--

<1 line spacing before figure>

Figure 1 – Caption (Times New Roman, Italic, 11 pt, centered)

<1 line spacing after figure>

This is an example of main text, and is the last line of the section.

Language

All papers must be in good English. Please proof read carefully your own paper. Mistakes cannot be changed later.

Conclusion

The above has shown the main instructions for writing the text. All is missing now are instructions regarding references.

References to other publications should be in Harvard style. They should contain full bibliographical details. Journal titles should not be abbreviated. References should be presented as follows. Within the text: Author's last name followed by a comma and the year of publication, all in round brackets; e.g., (Fox, 1994). When the number of authors is three or more, references in the text should be (Fox et al., 1995). At the end of the paper, list all references in alphabetical order. In the reference list all authors should be included.
